### Safety

Whilst we encourage our clients to relax and enjoy all our facilities, safety is of paramount importance. Every shooting session is supervised by experienced staff and qualified instructors are available if required.

Our shooting package is carefully arranged to ensure that even those who have never shot before will quickly learn the basic techniques. Many novices introduced to clay pigeon shooting have become hooked and now enjoy this exciting pastime on a regular basis. We offer you the opportunity to add a new dimension to your promotional and marketing activities through this fascinating sport. Any size of party can be accommodated up to around 40. There is a minimum charge for parties of six or less. Our aim is to provide the best possible programme to suit each client's needs.

### The Sport

Clay pigeon shooting has become increasingly popular in the past few years. Countless number of people have experienced the thrill of busting their first clay. Mechanical "traps" are employed to throw clay disc targets in varying directions thus providing an almost unique opportunity for a sporting challenge without danger to participants or wildlife.

A series of traps have been arranged to simulate the flight of different game birds and to satisfy the needs of complete beginners or test the most competent shot.

We provide guns (the smaller 20 bores for the ladies in your party), ammunition, clays and trappers at no extra charge.

### The Days Programme will include:

- Guests would arrive 09.00 to 09.30 Hrs and be welcomed and offered coffee and bacon rolls.
- After being introduced to their instructors. They are taken to the shooting ground for the mornings shooting.
- Mid-morning refreshments will be served at the shooting ground.
- Luncheon will be served in the Great Barn which will consist of four traditional courses served with house wines.
- After lunch it is customary to return to the shooting ground for a 50 bird 2 man flush and the competition aim is to shoot as many as possible. This is a fine way to end the activities of the day. Giving the host company an excellent opportunity to present a prize to the winning pair.
- After the flush the guests return to the Great Barn for afternoon tea and prize giving.

### Total cost

£150.00 per person +VAT
